

# Timbaland ft. Nelly Furtado & SoShy, Morning After

Hello Mr. Mosley  
I'm glad you're my maker  
My Loyalty lies in your hands, you're my breath taker  
Your body, your kiss is in unknown demand  
So take command, go Timbo

I be the same when it all goes up  
I be the same when it all goes down  
Not the first one, open it up  
I be the last one closin it out  
Don't know if I'll give you a shot yet  
Lil Mama I'm peepin your style  
Do I think you're dope enough, yup  
One way of findin it out  
The way you came at me, boo  
Don't care, not afraid I'm like Wild  
Really want it from head to toe  
Question if she gon let it out  
Anyway the hour glass go  
I don't worry anyhow  
Why don't we see where it go  
Let's figure it out

(Chorus)

When the cats come out the bats come out to playy Yeahh  
In the morning after  
The dawn is here, be gone be on your way Yeahh  
In the morning after  
When the cats come out the bats come out to playy Yeahh  
In the morning after  
The dawn is here, be gone be on your way Yeahh  
In the morning after Dark

Come on SoShy

[SoShy]

I got a little secret for ya  
I never sleep when comes the night  
But everytime I smack my fingers  
I switch back into the light  
My moon belong to your sun  
Your fire is burning my mind  
Is it love or is it lust  
Something that I just can't describe (ah)  
Am I the one and only (ah)  
Cause you're the only one (ah)  
It felt so long and lonely (ah)  
Waiting for you to come?  
It's lookin bright and early  
I'm willing to close my eyes  
This is the unusual story  
Timbo and SoShy

(Chorus)

When the cats come out the bats come out to playy Yeahh  
In the morning after  
The dawn is here, be gone be on your way Yeahh  
In the morning after  
When the cats come out the bats come out to playy Yeahh  
In the morning after  
The dawn is here, be gone be on your way Yeahh
