

Timbaland, I Am Music

(Verse 1: Timbaland)

I'll be with you on your way to work
When your car turns on, you'll probably hear me
You can't run your car without me (Without me)
Want a deal, costs you a hundred G's
I am, I am

(Chorus: Static)

I am music
I'm melodies and harmonies
Stereo and mono
On the radio, the radio
I said I am music
I'm simply dope beats
Intros and drum rolls
On the radio, the radio

(Verse 2: Static)

I'll meet you at a summer jam
I'm with you PM or AM
I'll work out with you when you're at the gym
And when you clean the house, I'll be in the den

'cause I am

(Chorus 2: Static & Timbaland)

I am music
Melodies, harmonies
Mono, stereo, ohhhhhhhhhhhhhhh
I am music
Simply dope beats
Tempos, drum rolls, ohhhhhhhhhhhhhhh

(Verse 3: Aaliyah)

You may find me at a shopping mall
I'm not buying but I'll be for sale
I'll be a feeling when your talent shows
Might even hear me at a restaurant
'cause I am

(Repeat Chorus 2)

(Guitar Interlude)

(Repeat Chorus 2)
