It's time to change my style, my rythym, my ism, my prism, my beat manurism

Gee, where's my lack of fear?

My five-thousand and one gear, Missy baby you oughtta hear

Like next year, your album bigger each day

It rolls like a queen size waterbad, uh

The people in the label's chillin

As Timbaland is making a big killin

What? uh What? uh

[Chorus]

[Timbaland (behind the chorus):]

Can you feel it?

Throw your hands up

Timbaland and Maganoo

[Timbaland]

Oooh, I'm on my last verse [echo last verse]

As you can see I did not curse [echo did not curse]

I'm trying to make it radio friendly, uh

So people in America can hear me, uh

To all beautiful boys and girls
White, diamonds and pearls, no jerry curls, uh
I hope you buy our tape
Please don't hesitate, don't hesitate
What?

[Chorus 2X]

Can you feel it groovin on through?
Let the feeling get next to you
Can you feel it groovin on through?
Can you feel it? Can you feel it? Can you feel it?
[6X]
