

# Timbaland, Release (Feat. Justin Timberlake)

[Intro:]

Alright

Hey

Clap

Oh

I need you girl (Hey)

I really need you

I need you girl

(Let me tell you something)

I think am getting in charge (yeah)

So feel the party codes (yeah)

With all my Gs in the back (yeah)

Who needs a bodyguard (yeah)

I think I need to...

[Chorus:]

Release

I am out of control

I'm out of body

Release

I am out of control

Whose here to party

Release

I am out of control

I'm out of body

Release

I am out of control

I'm out of...

(Oh, yeah)

I push the party stars (yeah)

They just can't even see me (yeah)

We flame the party hard (yeah)

I think I need to...

[Chorus:]

Release

I am out of control

I'm out of body

Release

I am out of control

Whose here to party

Release

I am out of control

I'm out of body

Release

I am out of control

Who holds the party strikes

He keeps the party movin'

The club is over packed

Look this can't wait till dawn

(Yeah)

We've got a video (yeah)

I think we are late for our shoot (yeah)

We had our video (yeah)

Hey, these girls ain't cute (yeah)

They want me to do my part (yeah)

But first I gotta...

[Chorus:]

Release

I am out of control

I'm out of body

Release

I am out of control

Whose here to party

Release

I am out of control

I'm out of body  
Release  
I am out of control
