

# Timbaland, Sex Beat (Interlude)

Ahh... it's time to slow it down for a bit  
Like this  
Oooh, ahhhhhh  
I call this here... take off your drawers music  
Hehehe  
This is for the ladies  
Hahahah  
Do you hear my voice, ladies?  
Ladies? Hah  
See I don't disrespect no woman  
As long as she don't disrespect me, see what I'm sayin?  
I would never call a girl, that B word  
Never call you no hoe

All I wanna do is lick on your toe  
And, pull off your, tight Girbauds  
Ahhhhhhh, huh  
Ahhhh, huh, oh you wanna pour me a glass of wine?  
I already got mine  
How bout you pour yourself some  
Know what I'm sayin?  
Alright, like my boyz 112 said  
Only you baby  
You know what I'm sayin?  
But enough for the humpin  
Say what say what?  
I'm out
