

# Time To Express, PARADIZE

We run away from the empty life  
Run away from the never ending sky  
Of time  
We belong to the God's creations  
We're living to the world full of ...

We are run away from past  
Slip away who are we now?  
Who are we now?  
Stay away from paradise?  
Slip away who are we now?  
Who are we now?  
Who are we now?
