

Timo Maas, First Day

I see you've found my underground
So help yourself to guns and ammo
Nothing here has ever seen the light of day
I leave it in my head
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
You'll remember me, for the rest of your life
You'll remember me, for the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
Don't fuck it up
Don't fuck it up
You'll remember me, for the rest of your life
You'll remember me, for the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
It's the first day of the rest of your life
