

Timo Rautiainen & Trio Niskalaukaus, Hyv

tnn on hyv piv
piv lyn ymmrryksen
tnn on hyv piv
vied loppuun ty

tnn inhoan itseni
ymmrrn mik olen
tiedn mist olen tullut
ja mihin matkalla

tnn kaikki kimaltelee
rikeiss valoissa
tnn on hyv piv
nhd hymyjen taa

tnn kaunis aurinko
polttaa valehtelijat
tnn on hyv piv
vihonviimeinen

</lyrics>
today is a good day
a day of reason and understanding
today is a good day
to finish what I started

today I loath myself
understand what I am
and where Im going

today everything sparkles
in bright colours
today is a good day
to look behind the smiles

today the beautiful sun
burns down the liars
today is a good day
the very last one
