

Timo Rautiainen & Trio Niskalaukaus, Rajatila

min olen kuullut
tll on tapahtunut outoja
on tavattu mykki miehi
kummallisilla asioilla

kaukaa on tullut elimi
joita ei pitisi olla
siell kaukana ei en
voi kuulemma hengitt

jostakin syyst tnn
tuntuu pahemmalta kuin eilen
ja eilen tuntui pahemmalta
kuin toissapivn

varmasta on tullut epvarmaa
vieras on pysynyt vieraana
pelottaa tiet ettei tied
kuin aikansa vhyiden

kaiken aikaa tll ollaan
seisottu tyhjnl
nyt seisotaan edes jossakin
nyt seisotaan rajalla

ei tll ollutkaan kallioita
joille voisi rakentaa
ainoat sanat jotka kuulen:
auttakaa minua

i've heard

strange things have happened here

mute men have been seen

doing strange things

animals that should not exist
have arrived from afar
we have heard that over there
is no air left to breath

for some reason it feels worse today
than it felt yesterday
and yesterday felt worse
than the day before

certain has become uncertain
all unfamiliar has stayed the same
it frightens to know that all one knows
is how little time there is left

all this time we have
stood on hollow ground
at least we are standing somewhere now
we stand on the borderline

there was no solid rock
to build upon
all is gone but the words:
"can anyone help"
