

Tin Machine, Amazing

I'm lazy
You're crazy, girl
Stay by my side

I'm scared you'll
Meet someone
In whom you'll confide

Life's still a dream
Your love's amazing
Since I found you
My life's amazing

I pledge you
You'll never be blue
There's too much at stake to be down

My nightmare
Rooted here watching you go
Divine in both, our lives

Life's still a dream
Your love's amazing
Since I found you
My life's amazing

My life's a roll
Go go go
And it's amazing
