

Tina Arena, I Believe

I believe when I fall in love
With you it will be forever

Shattered dreams worthless years
Here am I encased inside a hollow shell
Life began then was done
Now I stare into a cold and empty well
The many sounds that meet our ears
The sights our eyes behold
Will open up our merging hearts
And feed our empty souls

I believe when I fall in love
With you it will be forever
I believe when I fall in love
This time it will be forever

Without despair we will share

And the joys of caring will not be replaced
What has been must never end
And with the strength we have won't be erased
When the truths of love are planted firm
They won't be hard to find
And the words of love I speak to you
Will echo in your mind

I believe when I fall in love
With you it will be forever
I believe when I fall in love
This time it will be forever

I believe when I fall in love
With you it will be forever
I believe when I fall in love
This time it will be forever
(Repeat to fade)
