Tina Arena, Live

A million stars light This beautiful night This is not a night to die Let me sing and dance Beneath the sky

I have such love to give To give I want a chance to live

Live For the one I love Love As no one has loved Give Asking nothing in return

Free to find my way Free to have my say Free to see the day

Be Like I used to be Like a wild bird free

With all of life in me

Live For the one I love Love As no one has loved Give asking nothing in return

Though this world tears us apart We're still together in my heart I want the world to hear my cry And even if I have to die Love will not die Love will change the world

Live For the one I love Love As no one has loved Give asking nothing in return

I'll love until love wears me away I'll die and I know my love will stay And I know my love will stay
