

Tina Arena, Love's Funny That Way

There's no king when love is the thing play the same rules
In a heartbeat a wiseman can be a fool
There's not guarantee that love will be a stranger or a friend
Rapid chances or a heartache could never end

Through the darkest hour
When all is said and done
It has the power
You go from lonely to the lucky one
Cause loves funny that way
No matter who you are
It can shake your faith
Oh it can break your heart
Once in a while the mountains move
We all long for those days
Cause you live you laugh you say, loves funny that way

Not long ago I got to know the lonely side
Just me and my pain and nowhere to hide
Well it amazes me oh how my world turned around
And if it's meant to be that's all that matters to me anyhow

Cause loves funny that way
No matter who you are
It can shake your faith
Oh it can break your heart
Once in a while the mountains move
We all long for those days
Cause you live you laugh you say, loves funny that way

Oh yeah, laugh and say, aint it funny, loves funny that way
Oh yeah, laugh and say, aint it funny, loves funny that way

Oh you don't understand
Best you leave it in loves hands
Just live, laugh and say loves funny that way

Oh yeah, laugh and say, aint it funny, loves funny that way
Oh yeah, laugh and say, aint it funny, loves funny that way
Oh yeah, laugh and say, aint it funny, loves funny that way
Oh yeah, laugh and say, aint it funny, loves funny that way
Oh yeah, laugh and say, aint it funny, loves funny that way
Oh yeah, laugh and say, aint it funny, loves funny that way
Oh yeah, laugh and say, aint it funny, loves funny that way
Oh yeah, laugh and say, aint it funny, loves funny that way
