

# Tina Arena, Not For Sale

Here we are  
Face to face  
Who would have ever believed we could  
End up in this place  
You and I  
We've come so far

And darlin' though  
You're amazed  
That I keep on loving you more everyday  
But there's something I want you to know

Even if all my dreams should come true  
Even if I should fail  
I made you a promise  
So don't you worry  
This soul is not for sale  
Not for sale

You're the one  
When it rains  
Who I can run to for cover  
And comfort from my pain  
And bloom like a rose in your sun

And we hold on  
To what is real  
Not willing to sacrifice this love that we feel  
Cause we know where our joy comes from

Even if all my dreams should come true  
Even if I should fail  
I've made you a promise  
So don't you worry  
This soul is not for sale

Even if all my dreams should come true  
Even if I should fail  
I've made you a promise  
So don't you worry  
This soul is not for sale  
This soul is not for sale  
Not for sale  
Baby it's not for sale
