

Tina Arena, Soulmate

(T. Arena /P. Amato /D. Child)

Soulmate # 9, say that I'm the only one
But I know that's just a lie
I'm your Soulmate # 9, you're living in a fantasy, in your mind
Woah woah woah woah

You live in a made up world
You think that I don't see
It's a world of make believe
You spin a tangled web
Just like a fairytale
It's all in your head

You promised me the world
You promised me the sun
You promised me heaven
But your gonna turn it round

'Cause Soulmate # 9 say that I'm the only one
But I know that's just a lie
I'm your Soulmate # 9, you're living in a fantasy, in your mind
Soulmate # 9

You say you're a grown up man
You've got it in control, your pockets lined in gold
That's not what I need from you
It's never what you say
It's only what you do
You look into my eyes
You try to hypnotise
You say that it's forever
But forever means goodbye

'Cause I'm your Soulmate # 9, say that I'm the only one
But I know that's just a lie
I'm your Soulmate # 9, you're living in a fantasy, in your mind
Soulmate # 9

I would have loved you
If you'd just be who you are
If you just say that you want me
And let the feeling feel so real
I feel you, coming from the heart

'Cause Soulmate # 9, say that I'm the only one
But I know that's just a lie
I'm your Soulmate # 9, you're living in a fantasy, in your mind

'Cause I'm your Soulmate # 9 say that I'm the only one
But I know that's just a lie
I'm your Soulmate # 9, you're living in a fantasy, in your mind

Woah woah woah woah

'Cause Soulmate # 9 say that I'm the only one
But I know that's just a lie
I'm your Soulmate # 9, you're living in a fantasy, in your mind
Soulmate # 9
