

# Tina Arena, Standing Up

There was a time  
I was not so certain  
All the games I played  
Just multiplied the hurtin'

Mixed emotions  
Never knowing right from wrong  
I kept it all inside  
Pretending to be strong

I'm a woman  
To myself I must be true  
Finally I believe  
I know just what to do

Chorus:  
I'm standing up  
Willin' and I'm able now  
I'm standing up  
For the first time in my life  
I'm standing up  
Now I'm ready for love

I was pushed around  
Until I came to find  
My insecurity  
Was just a state of mind

Even though I only  
Had myself to blame  
Now I've learnt to trust my heart  
And I'll never be the same

I'm a woman  
But just like anybody else  
I've got a lot to give  
Don't wanna keep it to myself

Chorus (x3)

Ready for love...  
Ready for love...  
Ready for love...
