

Tina Arena, The Man With The Child In His Eyes

I hear him, before I go to sleep
And focus on the day that's been
I realize he's there
When I turn the light off and turn over
Nobody knows about my man
They think he's lost on some horizon
And suddenly I find myself
Listening to a man I've never known before
Telling me about the sea
All his love is 'til eternity
Ooh, he's here again
The man with the child in his eyes
Ooh, he's here again
The man with the child in his eyes
He's very understanding
And he's so aware of all my situations
And when I stay up late
He's always waiting, but I feel him a hesitate
Oh, I'm so worried about my love.
They say, "No, no, it won't last forever"
And here I am again, my girl
Wondering what on Earth I'm a doing here
Maybe, he doesn't love me
I just took a trip on my love for him
Ooh, he's here again
The man with the child in his eyes
Ooh, he's here again
The man with the child in his eyes
