Tina Arena, Trust Me This Is Love

I look at this mountain So many heartaches wide I can't help but wonder Where's the other side

I've got to be honest I've got my doubts And your tears are asking me What's this got to do with love

Darling please, tell me something To help me through this long dark night

When this trouble passes over You and I will walk away Knowing that our love Survives another test of faith You and I can walk on water The river rises, we rise above It may not look that way right now Trust me baby, this is love

Love isn't easy, I'm torn, I confess When a heart isn't certain It's bound to second guess This love won't forsake us

So dry your tears, I promise you

When this trouble passes over You and I will walk away Knowing that our love Survives another test of faith You and I can walk on water The river rises, we rise above It may not look that way right now Trust me baby, this is love

Here forever, there's nothing I want more Our day is coming And we'll reach that peaceful shore

When this trouble passes over You and I will walk away Knowing that our love Survives another test of faith You and I can walk on water The river rises, we rise above It may not look that way right now Trust me baby, this is love

One more mountain ain't so wide Trust me baby this is love
