

Tina Bride, Get Another Girlfriend

Get another get another girlfriend
get another another other girlfriend
Get another get another girlfriend
get another another other girlfriend

I know I wanted you to be
The perfect guy for me
I guess that I was wrong
I know it doesn't make no sense
Just try to comprehend
You feel like holding on

And he said:
Baby can't you see
You're the one for me
I'm the one for you
It makes me blue
Baby can't you see
You're the one for me
I'm the one for you
It makes me blue

Chorus : Boy I wanted you to know
I'm gonna tell you bye bye baby
Cause I got to let you go
So I tell you get another girlfriend
Forgive my honesty
I don't want you here next to me
So I'm telling you again
Better go now and get another girlfriend

Now every day you come around
You're telling me you're down
Go look and see if I care
I hear you knocking on my door
Don't come around no more
Oh boy no don't you dare

And he said:
Baby can't you see
You're the one for me
I'm the one for you
It makes me blue
Baby can't you see
You're the one for me
And I'm the one for you
It makes me blue

Chorus

Get another get another girlfriend
Get another get another girlfriend
Get another get another girlfriend

Get another get another girlfriend
Get another another other girlfriend
Get another another other girlfriend

Chorus
