

Tina Bride, Get To You

I wanna get to you

You don't know how I feel,
it's very deep inside.
If I could turn back time, I were babe,
I wanna get to you

Bridge:

The way you touch me baby ,
drives me crazy
I want you in my live forever...

Chorus:

I wanna get to you
I know you want me too.
Cause you are all I ever needed baby
I wanna get to you

I shared my dream with you,
and now you make me feel...
You know I gave you everything baby...
I wanna get to you

Bridge

Chorus

ah ah ah
I wanna get to you
ah ah ah
cause you were all I ever needed baby...
I wanna get tou you

Everytime I close my eyes , I dream that I'm in paradise
I know you're all I ever needed...
I wanna get to you

Chorus

Cause you were all I ever needed baby...
I wanna get to you
