Tina Charles, I'll Go Where Your Music Takes Me

III Go Where Your Music Takes Me Ill go where your music takes me Where your rhythm makes me Thats where my destiny is gonna be Woo woo Hey hey. Ah.. Ill go where your music takes me Where your rhythm makes me Thats where my destiny is gonna be And III be your second harmony Well make sweet melodies Ever so tenderly cause we got the key Everybodys searching for a dream People making plans Well Ive got what I been searching for Right in a palm of my head Well I want you to know That I wont let you go Repeat Like a bee needs a hive I need your love to keep me alive And I like a leave clings to a tree I need your love to cling to me Well I know what is worth (and it was here) Youre my heaven on earth (on a heaven)
