

# Tina Reynolds, Cross Your Heart ( Eurovision 1974 )

La lala lala... la lala lala... la lala lala la...  
Cross your heart, say: "I love you"  
Cross your heart and hope to die  
For a very simple reason  
And here's the reason why:  
For so many hearts are broken by one little lie  
Cross your heart and hope to die  
Sticks and stones wouldn't break my bones  
Though it happened again and again  
But I came smiling through, don't ask me how  
Playing at games and calling me names  
Never worried me then  
But it's a different game we're playing now  
Cross your heart, say: "I love you"  
Cross your heart and hope to die  
For a very simple reason  
And here's the reason why:  
For so many hearts are broken by one little lie  
Cross your heart and hope to die  
It wasn't easy to get up, believe me  
To get up again and again  
Each time they knocked me down, it hurt a lot  
Love's got to show now  
There's nowhere to go now  
This is the end of the line  
Because I'm giving this all I've got  
Cross your heart, say: "I love you"  
Cross your heart and hope to die  
For a very simple reason  
And here's the reason why:  
For so many hearts are broken by one little lie  
Cross your heart and hope to die  
Lalala la lalala... lalala la lala...  
Lalala la lalala...  
And here's the reason why:  
For so many hearts are broken by one little lie  
Cross your heart and hope to die  
La lala lala... la lala lala... la lala lala lala...  
Lalala la lala lala... la lala lala... la lala lala lala...  
Lalala la lala lala... la lala lala... la lala lala la...
