

Tina Sugandh, Lift Off

here i am

here i go

stand back im in control

Chorus:

im outta this world

about to take off

and when i reach the stars

i still wont stop

cuz im about to rock it all the way to the top

now its 5,4,3,2,1

lift off.

lift off.

lift off.

hey you

get used to my face

i'll be taken over the place

cuz the ride has been a little off track

from now on im on the straightest path

got that look in my eye

got my head in the sky

bye

bye

Chorus:

im outta this world

about to take off

and when i reach the stars

i still wont stop

cuz im about to rock it all the way to the top.

now its 5,4,3,2,1

lift off.
