

# Tina Turner, Fool In Love

Oh, there's something on my mind  
Won't somebody please  
Please tell me what's wrong

CHORUS:

You're just a fool you know you're in love  
(What you say?)  
You got to face it to live in this world  
(Hey, hey, hey, hey, hey)  
You take the good along with the bad  
Sometimes you're happy and sometimes you're sad  
You know you love him you can't understand  
Why he treat ya like he do when he's such a good man

He's got me smiling when I should be ashamed  
Got me laughing when my heart is in pain  
Oh no, I must be a fool  
Cause I do anything he wants me to

CHORUS

Without my man I don't wanna live  
You think I'm lying but I'm telling you like it is  
He's got my nose open and that's no lie  
And I, I'm gonna keep him satisfied

CHORUS

A wave of action speaks louder than words  
Truest thing that I ever heard  
I trust my man and all that he do  
And I, and I do anything he wants me to

CHORUS to fade
