

# Tina Turner, Ghetto Wonderland

Sirens are screamin are you listenen?  
In the street glass is glistnen. It's a pertiful sight we're drinking tonight.  
Walking in a ghetto wonderland.  
In the ghetto we can build a crakhouse. And pretend that Busta Rhymes's  
in town.  
He'll say, &quot;R u smokin?&quot;  
We'll say, &quot;Naw man&quot;  
You can hook us up when u have time.  
Later on we'll expire  
As we hurl by the fire.  
It's not a pertiful sight  
when we're hurlin tonight  
Livin in da ghetto Wonderland.
