

Tina Turner, Look Me In The Heart

Last night we tried to touch but we never got close
Last night we tried to talk, the words got caught in our throats
When we finally fell asleep
We couldn't have been further apart

Look me in the heart
If you think that love is blind
Baby look me in the heart
And you'll see that I'm so crazy about you baby
And it's not in my mind
Can't you look me in the heart
Look me in the heart

You try to say that I'm hiding from you
You act like a spy always looking for clues
You've read about my past
But why don't we try to make a new start

Look me in the heart
If you think that love is blind
Baby look me in the heart
And you'll see that I'm so crazy about you baby
And it's not in my mind
Can't you look me in the heart
Look me in the heart

Remember how good we used to be together
Remember baby, so be tender baby
Remember the love we said would last forever
I know we can make it like that again
