

# Tina Turner, Missing You

Everytime I think of you, I always catch my breath  
And I'm still standing here, and you're miles away  
and I'm wondering why you left  
And there's a storm that's raging  
through my frozen heart tonight  
I hear your name in certain circles  
And it always makes me smile  
I spend my time thinking about you  
and it's almost driving me wild  
And there's a heart that's breaking  
down this long distance line tonight

I ain't missing you at all (missing you)  
since you've been gone away (missing you),  
I ain't missing you (missing you)  
No matter what I might say (missing you)

There's a message in the wire  
and I'm sending the signal tonight  
You don't know how desperate I've become  
and it looks like I'm losing this fight  
In your world I have no meaning  
though I'm trying hard to understand  
and it's my heart that's breaking  
down this long distance line tonight

I ain't missing you at all (missing you)  
since you've been gone away (missing you),  
I ain't missing you (missing you)  
No matter what my friends say (missing you)

there's a message that I'm sending out  
via telegraph to your soul  
and if I can't breach this distance  
stop this heartbreak overload

I ain't missing you at all ...ow...(missing you)  
since you've been gone away (missing you),  
I ain't missing you (missing you)  
No matter what my friends say (missing you)  
I ain't missing you  
I ain't missing you.. I can't lie to myself  
And there's a storm that's raging  
through my frozen heart tonight  
I ain't missing you at all  
I ain't missing you...missing you  
I ain't missing you, oh no  
I ain't missing you, I ain't missing you  
I ain't missing you, I ain't missing you  
I ain't missing you, I ain't missing you..  
Everytime I think of you, I always catch my breath.
