

# Tina Turner, Tina's Wish

(Ike Turner & Tina Turner)

[Previously recorded by Ike & Tina as "Tina's Prayer"]

I'm talking to the priest  
The high priest  
And everybody out there in the universe  
If what I'm saying is wrong  
Then tell me the right way to say it  
Cause I wanna be made over

Paint me red, paint me green  
Give me liberty, wash me clean  
Make me over, make me nice  
Cause when I'm done, Lord, I wanna be right

Hey Lord  
Make me over, I wanna be made over  
Hey Lord  
Make me over, I wanna be made over

Make me smart, make me king  
Give a lot, give me steam  
I want eternal beauty, spiritual things  
Cause when I'm done, yes I wanna be a good thing

Hey Lord  
Make me over, I wanna be made over  
Hey Lord  
Make me over, I wanna be made over

I wanna go places, I wanna do some things  
I wanna be a star, I wanna have a big name  
But in my heart, let beauty reign  
And when I'm done, I wanna have fame

Lord make me nice, Lord make me good  
Give me power, give me love  
I wanna be desirable, voluptuous, tenderized
