

Tinashe, Me So Bad (ft. Ty Dolla \$ing, French Montana)

I know you want me free time
I know that we don't
play /4x
I'm walking on a thin line
I'm hoping that it
break /5x
I'm tryna give you Face time
Don't mean you wanna
wait /5x
I want a better baseline e /2x

Don't be faking, faking, no
say you looking for someone that'll last
I know you looking for someone that'll last

you want some me so bad /2x
come get this body
/2x

running out of words to say
no talking girl, I came to play
drop top
jumped in the wraith
I want it face down
turn around, let me lay down
until you want another round let me taste that

Don't be faking, faking, no
say you looking for someone that'll last
I know you looking for someone that'll last

you want some me so bad /2x
come get this body
/2x

Senorita /3x
Shorty give me head like a mind reader
overseas nad n o rain checks
once I showed her the safe
she ain't want no safe sex
AOD with the rain jacket
She a savage
louis vintage baggage
you know we the flyest that's a fact
and I need a new crib for the plaques

quick all the stalling
I got what you need right now
and I want to feel it
trying to take your higher than the ceiling
quick all the stalling
I got what you need right now
and I want to feel it
oh you got me caught up in my feelings, yeah!

Don't be faking, faking, no
say you looking for someone that'll last
I know you looking for someone that'll last

you want some me so bad /2x
come get this body
/2x
