

# Tinashe, Pasadena (ft. Buddy)

Feelin' right  
Feelin' right  
Feelin' right  
Livin' life  
It's the life  
Hey hey  
Feelin' free  
Feelin' free  
Feelin' right  
It's a vibe  
Feelin' right

the summer's comin' round the corner  
and now i am feeling like i don't even know ya  
i never lived in California  
now more than ever life  
is all what you make it

i got a vision of a perfect night  
but every day i end up going through the motions  
i wasn't bulid for the simple life  
in Pasadena singin' Tu, tu du du , du!

Feelin' right  
Feelin' right  
Feelin' right  
Livin' life  
It's the life  
Hey hey  
Feelin' free  
Feelin' free  
Feelin' right  
It's a vibe  
Feelin' right

Up in the penthouse to see to the ocean  
How did we get here  
We don;t even know  
Hands in the wind  
Racin' out to the coast  
Feelin' free,  
Can't get better than this

(???)

Some say i am psycho  
But this shit here go in cycles  
Tell all my rivals  
Save that drama for your momma  
Smokin; ganja with my parents  
Seen a bad one in the lobby, had to stop!

(???)

Lately, i've been feelin' restless  
I try my besr just to ignore all the nonsense  
If only i could manifest it  
My momma told me:  
life is yours for the takin'

(???)

Feelin' right  
Feelin' right

Feelin' right  
Livin' life  
It's the life  
Hey hey  
Feelin' free  
Feelin' free  
Feelin' right  
It's a vibe  
Feelin' right
