Tinashe, SuperLove

I'm sophisticated Super classy Uncle Luke Freak Nasty I'm tryna make you my baby, daddy Gemt me bouncing on I'm acoustic You've got me riding in that Riding on that Grinding up in this bitch Banana all in the split I bet them girls cant's do you like this So, I heard you're out here looking at me And I wann know if it's true If you've been looking for love Then I've been looking for you

I want you
I want you to be my babe
Settle down
We'll settle down then give you a baby
Put it down
Boy, put it down and make me ast all crazy
I might let you change me
Boy, I can arrenge it

They'll never love you babe
Like I love you, babe
Baby, say you'll never take my love away
They'll never love you babe
Like I love you, babe
Baby, say you'll never take my love away
Baby, say you promise you'll never change
You know
You know
You know
