

Tindersticks, Sleepy Song

Tell me
I can think right
Am I going home tonight
Or staying here?
Turn over
Turn out the light
I'm going home tonight
Not staying here
If you let me sleep
I would wake up
I haven't closed my eyes for days
Sleep
I would wake up
I haven't closed my eyes

Tell me
I can think right
I'm going home tonight
Not staying here
Turn over
Turn out the light
I'm going home tonight
Not staying here
If you let me sleep
I would wake up
I haven't closed my eyes for days
Sleep
I would wake up
I haven't closed my eyes
