

Tink, Goofy

Normally I'da blocked you from my phone
Normally I'd already be up at my sisters house
I'd barely even notice you were gone yeah
Wouldn't even have the energy to fuckin cuss you out
I guess it's different cause that

Dick got me goofy
Half way past stupid
This fool got me foolish
What the fuck am I doing
I guess that dick got me goofy
Half way past stupid
I'm so fuckin ruined
And it ain't nothin I'm doing about it

I oughta be ashamed
Words they just can't explain
My mama she ain't raise me like that
Me like that
I oughta be ashamed
Words they just can't explain
My mama she ain't raise me like that
Me like that
I must be dumb as a bitch
Boy I don't ever do nothing like this
Just from the way that he punish the pussy
I'm loving it
I don't be runnin from dick
Know he got paper them numbers is big
But ima real woman I come with my Shit
Usually I'm independent
But damn he be in it
In love with his tongue on my clit

Dick got me goofy
Half way past stupid
This fool got me foolish
What the fuck am I doing
I guess that dick got me goofy
Half way past stupid
I'm so fuckin ruined
And it ain't nothin I'm doing about it

Dick got me goofy stuck
I tell him we done
Then back to square one
We be linkin up
Dick got me tweaking
Pulling up at the four seasons
Actin like I'm really leaving
Knowing he sluttin me out every evening
Girl what was you thinking havin em round you
I hit em when I need the dick back
Nobody eat the pussy like that
The way he kiss on it put me in my feelings
Tweakin like it's 42
I'm tryna get the fuck away from you but

Dick got me goofy
Half way past stupid
This fool got me foolish
What the fuck am I doing
I guess that dick got me goofy

Half way past stupid
I'm so fuckin ruined
And it ain't nothin I'm doing about it

Dick got me goofy
Half way past stupid
This fool got me foolish
What the fuck am I doing
I guess that dick got me goofy
Half way past stupid
I'm so fuckin ruined
And it ain't nothin I'm doing about it
