

Tiny Tim, That Old Feeling

I saw you last night and got that old feeling
When you came in sight, I got that old feeling
The moment you came by, I felt a thrill
And when you caught my eye, my heart stood still

Once again I seem to have that old yearning
And I knew the spark of love was still burning
There'll be no new romance for me, it's foolish to start
For that old feeling is still in my heart

(I saw you last night) And got that old feeling
(When you came in sight) I got that old feeling
The moment you came by, I felt a thrill
And when you caught my eye, my heart stood still

Once again I seem to have that old yearning
And I knew the spark of love was still burning
There'll be no new romance for me, it's foolish to start
For that old feeling is still in my heart
