

Tiro De Gracia, I Don't Think So

...I don't think so!

Lights out, bad deal
You don't know how I feel
That's right, get real
Don't underestimate me, now!

Your sick, ideals
Don't have no part in me,
Get lost, be gone
You hope that we'll go on

...I don't think so!

You want me to be your bitch in bed, I don't think so
You want me to love you till I'm dead, well I don't think so
You want me to make your food, clean up your mess (Well, I don't think so!)
This will only happen in your head, (Cuz I don't think so!)

Tough luck, you loose,
I won't play by your rules.
Too much, too soon
Don't bother me with your dizziness,

Your stuck, confused,
An ancient miner too,
You pushed, to far
Now I've got news for you

...I don't think so!

You want me to be your bitch in bed, I don't think so
You want me to love you till I'm dead, well I don't think so
You want me to make your food, clean up your mess (Well, I don't think so!)
This will only happen in your head, (Cuz I don't think so!)

You want me to love you till I'm dead...This will only happen in your head...
Why did you mess up what we had?!

...I don't think so!

You want me to be your bitch in bed, I don't think so (I don't think so!)
You want me to love you till I'm dead, well I don't think so (I don't wanna be your bithc in bed!)
You want me to make your food, clean up your mess (Well, I don't think so!)
This will only happen in your head, (Cuz I don't think so!) (Happen in your head!)

You want me to be your bitch in bed, (oh!) I don't think so
You want me to love you till I'm dead, well I don't think so
You want me to make your food, clean up your mess (Well, I don't think so!)
This will only happen in your head, (Only in your head!) (Cuz I don't think so!)
