

Tisdale Ashley, Be good to me

Every day its getting worse
Do the same things and it hurts
I dont know if I should cry
All I know if that Im trying
I wanna believe in you
I wanna believe in you
(but you make it so hard to do)
Whats the point of making plans
You break all the ones we have
I dont know where we were wrong
Because we used to be so strong
I wanna believe in you
I wanna believe in you
So why cant you be
Be good to me
I dont ask for much, all I want is love
Someone to see, thats all I need
Somebody to be, somebody to be, somebody to be,
Good to me, good to me, can you be good to me
Good to me, please
I used to think I had it all
Then one day we hit a wall
I had hoped you were the one
Wheres my dream, where has it gone?
I wanted to be with you
Forever just me and you
So why cant you be
Be good to me
I dont ask for much, all I want is love
Someone to see, thats all I need
Somebody to be, somebody to be, somebody to be,
Good to me, good to me, can you be good to me
Good to me, please
Where do I go from here?
Youve gotten under my skin
And I dont know how to get out
Of this place that Im in
I dont ask for much, all I want is love
Someone to see, thats all I need
Somebody to be, somebody to be, somebody to be,
Good to me, good to me, can you be good to me
Good to me, please
