

Tisdale Ashley, Headstrong

I'm a straight up kind of girl, I am
I'mma tellin' it like it is, I am
And that's just the kind of girl I am
Head up, Hands up tell me
You're a hiding the kind of boy, You are
You're a talented kind of boy, You are
And that's just the kind of boy you are
Head up, Hands up these are
Headstrong crazy days
When your mind's made up
And the music plays
Headstrong can you feel the beat?
Meltdown can you feel the heat?
Meltdown, It's not a crush
In a hot hot room, We're in a rush
Headstrong can you feel the beat?
Meltdown can you feel the heat?
Gonna feel alive tonight, I am
I'm a positive kind of girl, I am
Leave my troubles behind tonight, I am
Stand up, Get up tell me
Are gonna be down with me, You are
Yeah you're coming along with me, You are
'Cause that's just the kind of guy you are
Stand up, Get up these are
Headstrong crazy days
When your mind's made up
And the music plays
Headstrong can you feel the beat?
Meltdown can you feel the heat?
Meltdown, It's not a crush
In a hot hot room, We're in a rush
Headstrong can you feel the beat?
Meltdown can you feel the heat?
Headstrong, Meltdown
Headstrong, Meltdown
I want to know you, I want to show you
I got the stuff now, Didn't you get enough?
Step to the rythm, Make the decisions

We our steppin' into the light, We are
Leave our troubles behind tonight, We are

When your mind's made up
And the music plays
Headstrong can you feel the beat?
Meltdown can you feel the heat?
Meltdown, It's not a crush
In a hot hot room, We're in a rush
Headstrong can you feel the beat?
Meltdown can you feel the heat?
