Estrellita de lejano cielo  
Tu sabes mi dolor, tu miras m sufrir  
Ven y dime s me quiere un poco  
Porque yo ya no puedo  
Sin su amor vivr

Estrellita de lejano cielo  
Tu sabes m dolor, tu miras m sufrir  
Ven y dime s me quiere un poco  
Porque yo ya no puedo  
Sin su amor vivr

Tu eres estrella, m faro de amor  
Y sabes que pronto me ir a morir  
Ven y dime s me quiere un poco  
Porque yo ya no puedo sin su amor vivr

Tu eres estrella, m faro de amor  
Y sabes que pronto me ir a morir  
Ven y dime s me quiere un poco  
Porque yo ya no puedo sin su amor vivr

&lt;/lyrics&gt;

Little star in the distant sky  
You know my pain, you see my suffering  
Come down and tell me if he loves me a little  
Because I can no longer  
Live without his love

Little star in the distant sky  
You know my pain, you see my suffering  
Come down and tell me if he loves me a little  
Because I can no longer  
Live without his love

You are a star, my lantern of love  
You know that soon I shall die  
Come and tell me if he loves me a little  
Because I can no longer live without his love

You are a star, my lantern of love  
You know that soon I shall die  
Come and tell me if he loves me a little  
Because I can no longer live without his love
