

Tish Hinojosa, Malagueña Salerosa

Que bonitos ojos tienes
De bajo de esas dos cejas
De bajo de esas dos cejas
Que bonitos ojos tienes

Ellos me quieren mirar
Pero si tu no los dejas
Pero si tu no los dejas
N siquiera parpadear

Malagueña salerosa
Besar tus labios quisiera
Besar tus labios quisiera
Malagueña salerosa
Y decir te nia hermosa

Si por pobre me desprecias
Yo te concedo raz&#oacute;n
Yo te concedo raz&#oacute;n
Si por pobre me desprecias

Yo te doy mi coraz&#oacute;n
A cambio de mi pobreza
A cambio de mi pobreza
Yo te do mi coraz&#oacute;n

Malagueña salerosa
Besar tus labios quisiera
Besar tus labios quisiera
Malagueña salerosa
Y decir te nia hermosa

Que es linda y hechisera
Ers linda y hechisera
Como el candor de una rosa
Y decir te nia hermosa

Que es linda y hechisera
Ers linda y hechisera
Como el candor de una rosa
Y decir te nia hermosa

Que bonitos ojos tienes
De bajo de esas dos cejas
De bajo de esas dos cejas
Que bonitos ojos tienes

Ellos me quieren mirar
Pero si tu no los dejas
Pero si tu no los dejas
N siquiera parpadear

Malagueña salerosa
Que es linda y hechisera
Ers linda y hechisera
Como el candor de una rosa
Y decir te nia hermosa

Que es linda y hechisera
Ers linda y hechisera
Como el candor de una rosa
Y decir te nia hermosa

<lyrics>

What beautiful eyes you have
Beneath those brows
Beneath those brows
What beautiful eyes you have

They want to look my way
But you won't even let them
But you won't even let them
Even stray

Enchanting Malagan woman
To kiss your lips I desire
To kiss your lips I desire
Enchanting Malagan woman
And to speak to you, beautiful child

If you despise me for my poverty
I understand your reason
I understand your reason
If for my poverty you despise me

I would give you my heart
In exchange for my poverty
In exchange for my poverty
I would give you my heart

Enchanting Malagan woman
To kiss your lips I desire
To kiss your lips I desire
Enchanting Malagan woman
And to speak to you, beautiful child

You are so lovely and bewitching
You are so lovely and bewitching
Like the innocence of a rose
And I call to you, beautiful child

You are so lovely and bewitching
You are so lovely and bewitching
Like the innocence of a rose
And I call to you, beautiful child

What beautiful eyes you have
Beneath those brows
Beneath those brows
What beautiful eyes you have

They want to look my way
But you won't even let them
But you won't even let them
Even stray

Enchanting Malagan woman
To kiss your lips I desire
To kiss your lips I desire
Enchanting Malagan woman
And to speak to you, beautiful child

You are so lovely and bewitching
You are so lovely and bewitching
Like the innocence of a rose
And I call to you, beautiful child
