

Titiyo, Right Or Wrong

You're playing with fire
I'm getting oh so tired
You need to slow down
You're spinning me around
You're playing with fire
You're a good good liar
I need to hold on
I've got to be strong
I've gotta fight 'cause
If loving you is wrong
I don't wanna be right
If loving you is wrong
I don't wanna be right
If loving you is wrong
I don't wanna be right
I just wanna be right by your side
You're playing with fire
Make me go go higher
I need to hold on
I've gotta be strong
And I gotta fight
If loving you is wrong
I don't wanna be right
If loving you is wrong
I don't wanna be right
If loving you is wrong
I don't wanna be right
I just wanna be right by your side
And I need a reason to believe you
And you need a reason to receive me
I really hope I'm wrong
I don't wanna be right
