<Lyrics>

All the people on the left side
people on the righth
people in the middle
get caught in a fight

dont give me an opinion
give some probe
dont wanna explanation
i want the truth

THERES A CRACK IN THE WORLD!!!
Theres where im in
THERES A CRACK IN THE WORLD!!!
IM FALLING IN

Talking about jesus
with the gun in your hand
dont preach about religion
if you dont understand

give me freedom
give me peace
give me shelter
give me release

THERES A CRACK IN THE WORLD!!!
Theres where im in
THERES A CRACK IN THE WORLD!!!
IM FALLING IN
