

# Tito & Tarantula, Love In My Blood

For the love of Ivy  
I will burn  
For the love of Ivy  
I will learn  
For the love of Ivy  
I will win  
For the love of Ivy  
I'll sin  
For the love of Ivy  
I'll endure  
For the love of Ivy  
I'll be sure  
For the love of Ivy  
I will kill  
For the love of Ivy  
I will

Love in my blood  
I would kill for love  
Dark surrender willingly  
I'll take the consequence with me  
pulled the note from ur Black coat  
and threw it in the fire

For the love of Ivy  
I will burn  
Stand over you without shame  
For the love of Ivy  
I will give  
My love my pain my sin
