

Tiziano Ferro, Perdono (eng)

Perdono yeah yeah mm
Perdono for everything I've done you have to know I'm so sorry
Just give me another chance I'm gonna give you a rose I
Continue dreaming of our everlasting
Friendship I still believe you being my friend so
Perdono for everything I've done you have to know I'm so sorry
Just give me another chance I'm gonna give you a rose I
Continue dreaming of our everlasting
Friendship Perdono
Look at the join feel with my heart beat
I'm trying to find a way to tell you that I'm crazy
If you don't understand what you meant to me
I know I hurt you so honey I'm here
And let you know I love you so
And let you know that I don't want to live every single day here alone
I want to see you dancing, smiling next to me
Perdono for everything I've done you have to know I'm so sorry
Just give me another chance I'm gonna give you a rose I
Continue dreaming of our everlasting
Friendship I still believe you being my friend so

Now I dedicate to you my song
Cuz if I live without I'm not strong
I'm your hidden sun and your my moon
So let me shine just us you know
Believe it's you who I adore
With all your contadictions antifacts
I still want your sweet caress
Perdono for everything I've done you have to know I'm so sorry

Here it's cold like at Christmas time
Here it's darker without your smile
All my deeper dreams here are dying
Mars and Venus here are just crying
Take my glow and give me a moonlight
What can I do ha I don't know
Please come back
I swear that it will last
We'll be dancing flying in space
Perdono for everything I've done you have to know I'm so sorry
Just give me another chance I'm gonna give you a rose I
Continue dreaming of our everlasting
