# Tiziano Ferro, Perdono (English Version)

Perdoname... Ya

Perdono
For everything I've done you have to know
I'm so sorry
Just give me another change,
I'm gonna give you a rosa
continue dreaming of our everlasting friendship
I still believe in me and you, my friends are all

Here it's cold like at christmas time
Here it's darker without your smile
All my deeper dreams here are dying
Mars and venus - here- I'm just crying
Take my glow and give me your moonlight
What can I do? - I don't know
Please come back I swear that it will last
We'll be dancing flying space
