

Tizzy Bac, You'll See

But you know~

But you know

But I say you'll see, I'd make you see
Every detail of this damning life
I say you'll see, I'd make you see
You'll see

But you know

But I say you'll see, I'd make you see
Every detail of this damning life
I say you'll see, I'd make you see
You'll see
