

TLC, Switch

Switch switch switch switch

I ain't one to be questioned
About who and where I've been
I ain't one to be questioned
About what time I came in
Tryna squeeze, baby please
Hit the road and don't come back
'Cause I can't trust a relationship
Wit no trust and that's a fact

Chorus

Switch

Don't take no mess from nobody

Switch

If they act up just leave 'em alone

Switch

Don't take no mess from nobody

Switch

When ya' done wit 'em you can send 'em home

I won't answer to no one
Until I feel I'm ready to
I'm gonna have my fun
Doin' the things I like to do
See I need the space get off my case
Stop breathin' down my back
Cause we ain't got a relationship
If that's how you have to act

Commitment true devotion
Right now is not the way
For you to come at me
When I need it
I'm sure you'll be the first to know
But for now, in my plans, no demands
I'm gonna have to make a switch

Switch

Throw his behind in a ditch

While my definition states as it relates To us mates, one eliminates

Solely contemplates n'de associates

Like my new drink V-8's

Just as quick as I get in

I'll drop 'em in a minute Like the dollaz'

In my pocket, Speedy Gonzalez

Couldn't stop the way I spin it

I'm known for breakin' every speed limit

This switch could be infinite

I said L to da E to da F to the T to da E to the Y

Because I'm so fly

Bring it back to the E so come and see me

At the hotel motel Holiday Inn

I said if your man starts actin' up

Switch and take his friend

Erase replace embrace new face come on

Erase replace embrace new face

Chorus
