

# To/Die/For, Crimson Twins

Come and drown with me  
In the sea of apathy  
Deeper in we're drawn  
On this downward spiral

We passed the point of no return  
The moment we intertwined  
On the shores of misery  
Washed by crimson tide

Blood is what unites  
Crimson twins we are  
Blood is what unites  
Our darkened hearts

Death is not what it seems  
It's just a new beginning  
For a lifetime of pain  
Until we die again

Blood is what unites  
Crimson twins we are  
Blood is what unites  
Our darkened hearts
