

# To/Die/For, No Turning Back

No turning back  
I will fall  
No-one can catch me  
I'll break my own bones  
My soul is ruined can't you see  
I'm dead like a stone  
Living dead as they say  
Show me how to live  
No... still you can't save me  
(Even you can't stop me)  
Watch me now  
And how I'm sliding down  
Into the stream of eternity  
Someday  
You will follow  
You'll fall like I do  
Like I do now!  
Can't find a thing that I could respect inside me  
My innocence was too fragile  
It withered away  
I don't want to paint life in rosy colours  
No turning back  
How sad... it is not what I wanted
