

To, The hardest thing

I sleep all night right by your side
i love to hear you breathing, breathing
the morning light opens my eyes
its nearly time for leaving, leaving
I know that it seems
like it's easy for me
oh, I wish you could feel
whats going on inside of me
Ref.

It's the hardest thing
I ever have to do
to walk away from you
when I wanna hold you
It's the hardest thing
in every single day
to have to turn away
I want you to know that
this is the hardest thing
And every day it skies away
I close my eyes to see your face
the more I wait, the longer it takes
it feels like time is standing still
Where ever you go
what ever you do
I want you to know
that you're on my mind
Ref.

Just to let go of your hands
the hardest day
to make you understand
that to love you, feel you
till the time i see you again
it's the hardest thing
Ref.

I sleep all night
right by you side
i love to hear you
breathing, breathing
