

Toad The Wet Sprocket, Listen

Well I wonder, do we learn?
Seems we're making the same wrong turns
Call you sacred, call you obscene
Call you faithless, call you anything

Call and you listen
Listen (x3)

I'm a liar, so it seems
My desire could justify anything
So is there nothing that lies in between
This cold silence and a scream?

Scream, listen
Listen (x3)

Caught in headlines
We are frozen and cannot hide
There's no break, no time
If you can, I might

Call and you listen
Listen (x7)
